

**New Hampshire Department of Agriculture, Markets and Food  
Division of Pesticide Control  
25 Capitol Street, PO Box 2042  
Concord, New Hampshire 03302  
(603) 271-3550**

**Instructions for those pursuing New Hampshire Certification**

People preparing to take an examination to become a certified pesticide applicator in New Hampshire, should be aware that the examination **is not** an open book examination. The examination consists of true false, multiple choice, matching and mathematical questions.

To schedule an appointment for the examination or to request applications for licensure and/or exam, please contact:

New Hampshire Department of Agriculture, Markets and Food  
Division of Pesticide Control  
25 Capitol Street, PO Box 2042  
Concord, New Hampshire 03302  
(603) 271-3694

**Please Note:** When the Division of Pesticide Control receives applications they are valid for 30 days. All exams must be taken within that 30-day time frame.

**Private Applicators**

The exams for Private Applicators covers information found in the Core Manual including the State and Federal Regulations, Groundwater manuals, Worker Protection manual and any additional information such as Pest Fact Sheets, Spray Guides, etc. available for your specific commodity group.

**Commercial Applicators**

The exams for Commercial Applicators covers information in the Core Manual including State and Federal Regulations, Groundwater manuals and the appropriate category manual. Some categories also have Pest Fact Sheets to supplement the category manual.

**Note:**

All study materials are available through the University of New Hampshire Cooperative Extension Family Home and Garden Education Center, (603) 629-9494 ext. 130. If you have questions on the study materials, call Rachel Maccini, (603) 629-9494 ext. 130.

## CHECKLIST OF STUDY MATERIALS FOR CERTIFICATION EXAMINATIONS
